

THERE IS PURPOSE IN HIS PRESENCE

Genesis 1:1-3 NIV

"In the beginning God created the heavens and the earth. Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters. And God said, "Let there be light," and there was light."

Reflection

We see in the creation story, that even before the creative words of God were spoken, the Holy Spirit was active. It's almost as if the Spirit was waiting in anticipation, in a state of readiness, to act upon the words that were just about to be released. In the last few weeks I have had a real sense in my heart of the Holy Spirit hovering over us with creative purpose. It's not just an awareness of His presence but there is a real sense of purpose and that we have moved into a season where God is going to release words of life to us which are going to shape our future and bring to life His intended purpose and plans for us personally, for our Church Family and our Community.

John 16:13 NIV

"But when he, the Spirit of truth, comes, **he will guide you into all the truth.** He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come."

Jesus told us taught us that the Holy Spirit would empower us to know Him (the truth) in the most profound and deep way and He

would reveal to us things that were yet to happen in the future. I believe that this picture is providing a direction for our prayer. As we come to pray, God wants us to have an awareness of His presence, of the Holy Spirit hovering over us but also that there is purpose in His presence. There is a movement and stirring of the Spirit over the people and places we are praying for and God wants to release to us the words that He wants to speak which are going to bring breakthrough.

As we join together in prayer, can I encourage you to ask God to:

Make you aware of His presence
Make you aware of His purpose
Make you aware of His words

I am excited to see everything that God is going to do and if God is speaking to you about our Church Family or Community, can I encourage you to share that with us.
